President

Jason Baddoo

Hi, I'm Jason Baddoo, immediate past Vice President and current President for the 2014-2015 service year. My duty includes a lot of things. The most basic part of my job is keeping everyone informed on what is going on in various levels of Key Club International, whether it be divisional, district, or international levels. Other than that, I will usually be the person running meetings and making sure things in general are running smoothly with our club. I joined Key Club as a freshmen. I was always a very enthusiastic member and I love meeting new people at our monthly divisional or at various events I have a lot of plans for this upcoming service year for our club and I am ecstatic to work with everyone. I am really looking forward to a great service year with all of you.

Vice - President

Sofie Cornelis

Hey Key Clubbers! I am Sofie Cornelis and I am excited to be your Vice President for this service year! My role as VP is to serve not only the president but also the other club officers and the general members of the club. This includes gathering information for newsletters, watching over committees, and leading club meetings if the president is absent. In addition, I am also on the Division 11 Events Committee.

I am now a senior and have been in Key Club since beginning school at HSMSE. Key Club has been an incredibly rewarding activity. It has allowed me to participate in countless volunteer opportunities that have been great experiences and fun ways to meet fellow Key Clubbers from the New York City District. I am always available if you have any questions or suggestions. Please feel free to contact me anytime.

Editor

Sayef Iqbal

My name is Sayef Iqbal and I am proud to serve as your 2014 - 2015 editor. My duty is to create newsletters each month for HSMSE Key Club. Also, after each event, I collect photos and articles from the group leader, which I then incorporate into the newsletters.

I joined key club as a sophomore and now I am a junior. This past year key club has allowed me to do what I love, which is helping people. I love going to events and volunteering. And being an editor of key club allows me to show how great this club is and the students in it.

I am always willing to listen and accept help. So if you feel as if there is something I can do to improve the newsletters, please let me know.

Treasurer

Jacqueline Abraham

My name is Jacqueline Abraham and I am excited to be a part of the Key Club Board as your Treasurer for the 2014-2015 school year. My duty is to manage the club's budget and collect key club dues which is essential for getting our club involved and recognized as a part of Division 11.

I joined Key Club as a freshmen looking to get volunteer hours and soon developed a love for the club as I hope all of you do. I began to see what a great community Key Club is, how far it goes, and how supportive everyone is of each other.

Volunteering at events is something I truly enjoy and doing it together as a group makes it even better. please feel free to talk to me about any of your concerns or suggestions so that we can make this a great 2014-15 service year.

Secretary

Kacie Lou

Hey! My name is Kacie, I am your new secretary. What I do is take fill forms out, record minutes from meetings and keep track of events.

I am a sophomore this year, although I am less experienced than other members of our board, I believe I can really contribute to help improve our club. I love volunteering, going to events and meeting new people. I also love food but that doesn't have anything to do with my role in this club.

Despite others' beliefs I am very accepting and open. I am always willing to lend a hand and answer any questions you might have.
